1. My godhead bodily, operate as the godhead bodily, the godhead in bodily fashion untainted, truth'd; yea, of Me, see Me. Operate as Me, being Me in the fullness of Me; yea, not heresy; yea, the time, the season, the privilege, permission granted by only Me.
2. Yea, come into Me of the fullness of Me please, never raising your head,
3. Arrogance cannot stand in My presence.
4. Yea, fashion and form of only Me; My creation, surrender into the leadership, the god-ship of My design; yea, in the godhead be trinity with Me, part of Me, fashion and form of Me, My body, My blood, My voice, the voice of many waters be.
5. Receive Me.
6. Receive My fullness.
7. Receive My revelation.
8. Operate in My revelation.
9. Be My New Covenant and My blood, be My blood for you are My blood.
10. Know you are My blood, one blood, we have one blood. Can I be clearer? Shall I restate My declarations, My proclamations again and again? Yes, many times; through many people; yea, all receiving, coming through My Son, Christ Jesus; yea, in whom there is no shadow or variableness of turning and no beauty when you see Him to appeal or attract; but yea, My love, My love, beholding Me, all else withers away, melts and exists no more; yea, fuel and firey finishing that which was begun, finale of Me.
11. Victory, triumph.
12. The tainter, self-deceiver, deceiving many, deleted into obscurity to burn forever.
13. My kingdom comes to an end never.
14. I arise.
15. War engulfs, enrages, ensues the complacent seeking, complacence, complacent has existed exists no more.
16. Yea, side-choosers, **all must and be in the godhead, either/or, for one, not both. You cannot serve both**, you must not serve both, there is no way to serve both, and only in deception can that exist.
17. I love you; I give you Me.
18. I see Me and I see you and I continue to reveal, to prepare, to bring forth, to mature who will **eat of Me and not just through others, not just from others**; but who will come into Me for My meat, My meat, My strength, My intimacy, My correction, My discipline, My judgement and know Me and be one with Me, operate as Me and be the fullness of My godhead bodily.

19. I love you and I globalize you and I globalize the messages of maturity in the maturity of My messages through you, in you, beyond you. I complete you and I complete My message; yea, through you and who you raise up and who I raise to raise My banner, My standard, My Me-ship coming forth in raiment of only Me.
20. Watch Me and fear no emotion, nothing on their heads; yea, standing, standing and having done all, stand, stand, seeing the salvation of The Lord, The Lord Mighty in battle; yea, the weapons of warfare not carnal. I love you and give you Me. For all weapons of carnality submit to Me, My monocular structure, My Me-ons; watch Me.
21. I love you and I give you Me and I cataclysmically divide the sheep from the goats, those who will receive My voice from those who will only hide and be deceived and deception decide to live in.
22. Yea, bring you Me; bring you Me night after night, day after day; yea, while time is now, while time is, so soon will be no more. I love you and I give you Me.
23. Thank you for sharing, speaking more, and speaking more I will and for hours at a time I will if you let Me. Rest, reveal Me more and more, every day My invitation issued, My table be, My table serving, helping My who at My table serve each other now, **ordination of only Me**, My body and blood in fullness, to Me, to each other, through each other, through each other must come and be released through each other, through each other now today.
24. **The proclamation today of My body, My blood, to each other, through each other, must be and be now, today, for maturity to come forth: anoint, baptize, deliver, dedicate, consecrate, receive Me in the fullness of My priesthood, My priests be**. Thank you.
25. Nothing closed, altogether open, unrestricted; all revealed. My New Covenant shares it all; breaking it open you are. I love you in fullness. Finality, so very close. I love you. Goodnight.
